A chilling mosaic novel by masters of their craft. On a misty cemetery world, three strangers are drawn together through mysterious circumstances. Each of them has a tale to tell of a narrow escape from death. Amid the toll of funerary bells and the creep and click of mortuary-servitors, the truth is confessed. But whose story can be trusted? Whose recollection is warped, even unto themselves? For these are strange stories of the uncanny, the irrational and the spine-chillingly frightening, where horrors abound and the dark depths of the human psyche is unearthed. A chilling portmanteau. I could feel the hairs on the back of my neck prickling. The perfect combination of horror and Warhammer 40,000. Paul Kane bestselling and award-winning author of Sherlock Holmes and the Servants of Hell and Before
