Against Wind and Tide tells the story of African American 's battle against the American Colonization Society (ACS), founded in 1816 with the intention to return free blacks to its colony Liberia. Although ACS members considered free black colonization in Africa a benevolent enterprise, most black leaders rejected the ACS, fearing that the organization sought forced removal. As Ousmane K. Power-Greene 's story shows, these African American anticolonizationists did not believe Liberia would ever be a true " black American homeland. " In this study of

anticolonization agitation, Power-Greene draws on newspapers, meeting minutes, and letters to explore the concerted effort on the part of nineteenth century black activists, community leaders, and spokespersons to challenge the American Colonization Society ' s attempt to make colonization of free blacks federal policy. The ACS insisted the plan embodied empowerment. The United States, they argued, would never accept free blacks as citizens, and the only solution to the status of free blacks was to create an autonomous nation that would fundamentally reject racism at its core. But the activists and reformers on the opposite side believed that the colonization movement was itself deeply racist and in fact one of the greatest obstacles for African Americans to gain citizenship in the United States. Power-Greene synthesizes debates about colonization and emigration, situating this complex and enduring issue into an ever

Safiya Al-Akhd, haunted by forces that terrorize her dreams and aching from loss, is skeptical when approached about entering the Order of the Elementals, but desperate enough to risk her life by accepting the invitation. Orphaned from attacks by the colonizing off-worlders and born as an empath with an ability called eseeri that allows her to feel the emotions and sense the thoughts of others, she wrestles with maintaining her equilibrium when witnessing the pain and oppression around her. Eseere, Book One of the Sahyun Chronicles series, follows the challenges that Safiya faces as she copes with her loss and learns who she is. All the while, events unfold that thrust her into a web of political plotting among the clans and the off-worlders. As a result, she begins to discover some of what she is capable of as she struggles to come to grips with the plight of her people.
