The "Rhodesian SAS Combat Manual" is a historical look of the small unit tactics employed by the elite unit during the Rhodesian Bush War. It is a glimpse back at how this unit operated. This book covers tactical follow-ups, ambush tactics, infiltration methods and combat tracking.

"The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes. This thorough reference set--written by 1300 eminent, international experts--offers librarians, information/computer scientists, bibliographers, documentalists, systems analysts, and students, convenient access to the techniques and tools of both library and information science. Impeccably researched, cross referenced, alphabetized by subject, and generously illustrated, the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field."

"The Encyclopedia of Microcomputers serves as the ideal companion reference to the popular Encyclopedia of Computer Science and Technology. Now in its 10th year of publication, this timely reference work details the broad spectrum of microcomputer technology, including microcomputer history; explains and illustrates the use of microcomputers throughout academe, business, government, and society in general; and assesses the future impact of this rapidly changing technology."

The Bushcraft Boxed Set brings together four titles from wilderness expert and New York Times bestselling author Dave Canterbury. The collection includes: Bushcraft 101: The primer to wilderness survival based on the author's 5Cs of Survivability (cutting tools, covering, combustion devices, containers, and cordages) Advanced Bushcraft: Takes it to the next level with self-reliance skills that teach you how to survive with little to no equipment The Bushcraft Guide to Trapping, Gathering, and Cooking in the Wild: Provides everything you need to know about packing, finding, and preparing food while trekking Bushcraft First Aid: Written with Jason A. Hunt, PhD, it's the go-to first aid resource for anyone headed into the woods With this boxed set, you'll be prepped and ready for your next outdoor adventure--wherever it takes you!
