This volume addresses the strategic, structural and functional implications of international business in firms around the world. This is exhibited through a critical, integrated flow from chapter to chapter

Charles Hill's "Global Business Today, 8e" has become the most widely used text in the International Business market because its: Current-it is comprehensive and up-to-date. Application Rich-it goes beyond an uncritical presentation and shallow explanation of the body of knowledge. Relevant-it focuses on managerial implications. Integrated-it maintains a tight, integrated flow between chapters, and incorporates ancillary resources that enliven the text and making it easier to teach. Our research has shown that students and instructors alike enjoy the interesting, informative, and accessible writing style of GBT - so much so that the writing has become Charles Hill's trademark. The author's passion and enthusiasm for the international business arena is apparent on every page. In addition to boxed material which provides deep illustrations in every chapter, Hill carefully weaves interesting anecdotes into the narrative of the text to engage the reader.

Market-defining since it was introduced, International Business: Competing in the Global Marketplace by Charles W. L. Hill, sets the standard, and is the proven choice for International Business. Hill draws upon his experience to deliver a complete solution, and has partnered with G. Tomas M. Hult from Michigan State University to continue to deliver a program that is: Integrated—Integrated Progression of Topics with Results-Driven Technology Practical—Focused on Practical Applications of Concepts Relevant—Timely, Comprehensive Coverage of Theory

Hill/McKaig Fifth Canadian Edition integrates the Canadian perspective on international business and Canada's place within the international business environment. The Fifth Edition presents realities and examples, that best portray the topical themes of the chapter. It pays close attention to small and medium-sized enterprises, who play a vital role in the Canadian economy, and who have also pushed onto the international business scene.

- Binder Ready Loose-Leaf Text (0077437608) - This full featured text is provided as an option to the price sensitive student. It is a full 4 color text that ' s three whole punched and made available at a discount to students. Also available in a package with Connect Plus (0077437527).

Thorough yet concise, ESSENTIALS OF STRATEGIC MANAGEMENT, Third Edition, is a brief version of the authors' market-leading text STRATEGIC MANAGEMENT: AN INTEGRATED APPROACH. Following the same framework as the larger book, ESSENTIALS helps students identify and focus on core concepts in the field in a more succinct, streamlined format. Based on real-world practices and current thinking, the text's presentation of strategic management features an increased emphasis on the business model concept as a way of framing the issues of competitive advantage. Cutting-edge research, new strategic management theory, and a hands-on approach allow students to explore major topics in management, including corporate performance, governance, strategic leadership, technology, and business ethics. In addition, a high-quality case program examines small, medium, and large companies--both domestic and international--so that students gain experience putting chapter concepts into real-world practice in a variety of scenarios. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Global Business Today is the proven choice for any international business course. It brings together the insights of now a team of practitioners, scholars, and award-winning instructors to present a contemporary and realistic perspective of this multi-faceted field. For the 9th edition, G. Tomas M. Hult from Michigan State University has joined Charles Hill to deliver a program that is: Current—it is comprehensive and up-to-date. Application Rich—it goes beyond an uncritical presentation and shallow explanation of the body of knowledge. Relevant—it focuses on managerial implications. Integrated—its tight flow between chapters is fully integrated with proven adaptive technology. Global Business Today—The market-leading program of international business.

Charles Hill ' s Global Business Today, 4e (GBT) has become an established text in the International Business market for its excellent but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global environment. GBT ' s concise chapters give a general introduction to international business - emphasizing the environmental factors, with less coverage of operations. Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today, 4e through a variety of real world examples and cases from small, medium, and large companies throughout the world
