experiences, feelings, and plans of three friends, Zoe, Maddie, and Angela, as they begin tenth grade.

For as long as she can remember, Wren Gray ' s goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn ' t even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart ' s desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at

least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie ' s souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction ' s greatest writers. Praise for *The Infinite Moment of Us* **STARRED REVIEW** "The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is *Forever...* for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good."

—Kirkus Reviews, starred review
"In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust. And it 's difficult to see that as a bad thing." —Publishers Weekly
"Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving." —Shelf Awareness
"This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love

with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another." —School Library Journal

"The single-focus intensity of Wren and Charlie ' s feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to ' s of intimacy." —The Bulletin of The Center for Children ' s Books

Girls and Mean Girls but no one has come as close to the dark heart of high-school girl politics as Lauren Myracle does in this shivery smart, wonderfully strange story of a high school where popularity can be stolen. No one notices Jane—not the jocks, the stoners, the debaters, the drama geeks, the cheerleaders, and especially not the Bitches, the school royalty made up of one girl from each class who's so transcendently beautiful and fascinating that no one can help but worship her. Imagine Jane's surprise when the Bitches approach her to be their freshman member. She wants this kind of popularity more than anything, but when she discovers the sinister secret of the Bitches' power, she's

forced to make the toughest choice of her life. This savagely funny book will be the talk of the season. F&P level: Z+

Winnie knows that change isn't all it's cracked up to be, especially when it means her best friend, Amanda, might be dropping her for someone else. Throw in a grumpy teenage sister, a cat who gets trapped in the wall, and a crush who has pinkeye, and you've got one big mess—one that Winnie's not going to clean up! Winnie's decided that she's going to remain exactly the same, no matter what the rest of the world does. But every month brings crazy adventures. A lot can change in a year . . . maybe even Winnie.

In three intertwining short stories, several high school couples experience the trials and tribulations along with the joys of romance during a Christmas Eve snowstorm in a small town... "An ill-timed storm on Christmas Eve buries the residents of Gracetown under multiple feet of snow and causes quite a bit of chaos. One brave soul ventures out into the storm from her stranded train, setting off a chain of events that will change quite a few lives. Over the next three days one girl takes a risky shortcut with an adorable stranger, three friends set out to win a race to the Waffle House (and the hash brown spoils), and the fate of teacup pig falls into the hands of a lovesick barista" --

Growing up in a world of wealth and pastel-tinted entitlement, fifteen-year-old Carly has always relied on the constancy—and authenticity—of her sister, Anna. But when fourteen-year-old Anna turns plastic-perfect-pretty over the course of a single summer, everything starts to change. And there are boys involved, complicating things as boys always do. With warmth, insight, and an unparalleled gift for finding humor even in stormy situations, beloved author Lauren Myracle dives into the tumultuous waters of sisterhood and shows that even very different sisters can learn to help each other stay afloat.

The only thing more exciting than

being eleven . . . is turning twelve! Winnie Perry went through a lot when she was eleven, from shifting friendships to her teenage sister ' s mood swings. But now that Winnie is twelve—and one step closer to being a teenager herself—there is so much more to deal with. Will her new friendship with Dinah last? Can she handle the pressures of junior high? And, most important, will Winnie survive bra shopping (in public!) with Mom? Bestselling author Lauren Myracle again sharply observes a year in the life of a winning young heroine whose humor, daring, and compassion for others is infectious and unforgettable.

Lauren Myracle brings her

signature frank, funny, and insightful writing to this novel of a teenage boy's coming-of-age. Paul Walden is not an alpha lobster, the hypermasculine crustacean king who intimidates the other male lobsters, beds all the lady lobsters, and "wins" at life. At least not according to the ego-bursting feedback he's given in his freshman seminar. But Paul finds a funny, faithful friend in Roby Smalls, and maybe -- oh god, please -- he's beginning to catch the interest of smart, beautiful Natalia Gutierrez. Cruising through high school as a sauced-out, rap-loving beta lobster suits Paul fine, and if life ever gets him down? Smoke a little weed, crunch a few pills . . . it's all good. But in the treacherous currents of teenage

culture, it's easy to get pulled under. With perfect frankness, Lauren Myracle lays bare the life of one boy as he navigates friendship, love, loss, and addiction. It's life at its most ordinary and most unforgettable.
