Spanish-English-latin completed

Perseguidos, marginados, encarcelados y reprimidos, los protestantes de Espa ñ a supieron vivir su fe en un Dios misericordioso y fiel en medio de la adversidad y de un pa í s al que amaban pero que no les correspond í a. La historia del sufrimiento y la persecuci ó n de los protestantes durante los a ñ os del franquismo muchas veces han quedado relegadas a un segundo plano, a veces por sus propios protagonistas, satisfechos de la sociedad democr á tica que empez ó a gestarse. Sin embargo, es el deber de un pueblo guardar memoria de su historia, y por esa raz ó n Monroy nos cuenta en Un protestante en la Espa ñ a de Franco su propia vida como testigo excepcional de aquella é poca: una historia de Espa ñ a diferente, real y cruda, que no sale en los libros. Monroy no dej ó de luchar por defender su fe y la de sus hermanos en uno de los escenarios m á s hostiles que se pod í an encontrar. Persecuted, marginalized, incarcerated, and repressed, the Protestants of Spain knew how to live their faith in a merciful and faithful God in the midst of adversity and a country they loved but that did not belong to them. The history of suffering and persecution of Protestants during the years of the Franco regime often has been relegated to the background, sometimes by its own protagonists, satisfied with the democratic society that began to take shape. However, it is the duty of a people to remember its history, and for that reason Monroy tells us in Un protestante en la Espa ñ a de Franco (A Protestant in Franco ' s Spain) his own life as an exceptional witness of that time: a different, real, and raw history of Spain that does not appear in the textbooks. Monroy did not stop fighting to defend his faith and that of his brothers in one of the most hostile scenarios that could be imagined.

The 7th edition of La lengua que heredamos, "The language we inherit," is geared towards a lower- to upper-intermediate level user. Its proven literacy-building approach provides the tools necessary to use Spanish more effectively in personal and professional situations. All four skills - reading, writing, speaking,listening- are stressed throughout the text. This new edition includes twenty-two chapters, plus a Leccion preliminar, a Repasos section, and a Spanish-English glossary. The ultimate goal of the text is to guide students towards mastery of advanced Spanish grammar and vocabulary. Special emphasis is placed on reading comprehension and written communication.
