Love Comes Softly introduced the characters of Marty and Clark Davis, whose tragic circumstances brought them to a "marriage of convenience" on the frontier prairies during the mid 1800s. The story of how Clark's patient, caring love mirrored that of the heavenly Father, drawing Marty to faith and to love, has captured the hearts and imaginations of over one million readers on Book One alone!

Book 7 of the bestselling Love Comes Softly series. Belinda Davis had trained as a nurse to assist her older brother, Doctor Luke. But as time goes by and she sees those she's grown up with getting married and settling into their own lives, Belinda becomes restless. What had seemed exciting and fresh becomes dull and routine. When she meets an elderly

woman who needs nursing care, Belinda jumps at the invitation to go to Boston--a large, "civilized" city with cultural opportunities she's never even dreamed of in her little prairie town. But in spite of financial security and countless new experiences, Belinda finds herself restless, lonely, and empty inside.

Book 3 of Love Comes Softly. Clark and Marty's daughter, ready to start her own life, must rely on faith in the face of homesickness and mounting hardships.

Three stories of light-hearted romance from bestselling author Wanda E. Brunstetter prove Love Finds a Way. Widow Lorna Patterson returns to college looking for education not romance. Then she meets fellow student and culinary novice Evan Bailey. Will his persistence have her re-thinking love? When Shelia

Nickels searches for her grandmother's doll her hunt leads to antique dealer Dwaine Woods's door. But will she find love instead of a lost treasure? Wendy Campbell doesn't want a relationship, but her father does. . .for her. Will his matchmaking end with an unexpected romance for Wendy and paramedic Kyle Rogers?

Book 5 of the bestselling Love Comes Softly series. Marty Davis had thoroughly enjoyed her visit with daughter Missie, even though a tragic accident had extended it far longer than originally planned. But now she and Clark are home again, and there are changes to make. The family begins to adjust to Clark's crutch, and Clark and Marty recognize their children's new maturity and independence.

But Nandry seems unable to come to terms with Clark's handicap; is she blaming God for the accident? The "baby of the family" is going to be a doctor. Ellie has blossomed into a lovely young woman, but is there any fellow around special enough to ask for her hand? Clare and Kate eagerly anticipate their new baby, but has life prepared them for what lies ahead?

It's 1889 and Alexia Travers is alone in the world. Her father has died unexpectedly, leaving her burdened with a heavily mortgaged horse ranch. Marrying one of the town's all-too-willing bachelors would offer an easy solution, but Alex has no interest in marriage. Instead, she dons men's clothing and rides the range, determined to make the ranch a success on her own. Help arrives when Justin Phillips, an acquaintance of her father's, comes to

Last Chance with his young son. Justin's and Alex's combined effort to save the ranch quickly turns into a fierce competition between cowboy and tomboy. But when disaster threatens Travers Ranch, they must work together to save someone they both love. Can these two independent people learn to depend on God--and on each other?
