Explore Oxford Languages, the home of world-renowned language data.

1300 special Australian and N.Z. English entries. 2,000 new words that have recently entered the language. Guidance on how words are used today, including hotly disputed points, ranging from the split infinitive to politically correct language.

This is a reissue of the ninth edition of the world's longest-established and best-selling pocket English dictionary. It is one of the new generation Oxford dictionaries derived from the database of the highly-acclaimed New Oxford Dictionary of English and is particularly user friendly with its elegant open design, with different elements starting on new lines. It offers excellent coverage of English as an international language, the defining style is straightforward and non-technical, andthousands of examples illustrate idiomatic usage. All irregular noun, verb, and adjectival inflections are spelled out in full, while guidance on grammar and good usage is provided by in-text notes. Additional features include Wordbuilder boxes giving information on related words and thematic tables on subjects such as countries, chemical elements, and nationalities. This title replaces ISBN: 0-19-861334-2.

This book tells the history of the Oxford English Dictionary from its beginnings in the middle of the nineteenth century to the present. The author, uniquely among historians of the OED, is also a practising lexicographer with nearly thirty years' experience of working on the Dictionary. He has drawn on a wide range of sources-including previously unexamined archival material and eyewitness testimony-to create a detailed history of the project. The book explores the cultural background from which the idea of a comprehensive historical dictionary of English emerged, the lengthy struggles to bring this concept to fruition, and the development of the book from the appearance of the first printed fascicle in 1884 to the launching of the Dictionary as an online database in 2000 and beyond. It also examines the evolution of the lexicographers' working methods, and provides much information about the people-many of them remarkable individuals-who have contributed to the project over the last century and a half.

Presents phonetic transcriptions and definitions for thousands of words that are difficult to spell, define, or pronounce.

Based on the authority of the Oxford English Corpus and the ongoing research of Oxford Dictionaries, this revised edition of the Concise Oxford English Dictionary, 11th edition contains over 240,000 words, phrases, and definitions, and provides the most authoritative description of the English language. It offers rich vocabulary coverage, with full treatment of World English, rare, historical, and archaic terms, as well as scientific and technical vocabulary. This revised edition includeshundreds of new and up-to-date words, such as sudoku, agroterrorism, and bird flu, with a special focus on words and phrases used in business English eg. helicopter view, knowledge economy, and culture fund. This edition retains such popular features as Word Histories, the Guide to Good English, and appendices on countries of the world, alphabets, and more. New to this edition is a compelling 'English Uncovered' supplement, which presents new findings from the Oxford English Corpus. Find out the most common words in our language, discover which words have the most meanings, and learn about the working of words beneath the surface. For UK only, there is a special promotion which will allow users to use a new SMS service to receive dictionary definitions direct to their mobile phone*. *Terms and conditions apply
