This book is not available as a print inspection copy. To download an e-version click here or for more information contact your local sales representative. Get 12 months FREE access to an interactive eBook when purchasing the paperback* Previous edition winner of the British Book Design and Production Award for "Best Use of Cross Media 2014" This easy to use resource allows students to switch from digital to the print text and back again, opening windows to the world of marketing through cases that are vibrant and engaged, links that allow students to explore topics in more detail and content to encourage relating theory to practice. Recognizing the importance of ongoing technological and social developments and the increasing connectedness of consumers that has profound implications for the way marketing operates and students learn, the 4th edition demystifies key technologies and terminology, demonstrating where and how emerging digital marketing techniques and tools fit in to contemporary marketing planning and practice. The new edition welcomes a new 3rd author and has been fully updated to include: 31 New case studies (including 5 new end of chapter and 26 new "focus boxes"), featuring a greater number of case studies from digital/social media marketing, Uber and the sharing economy, Google and crowdsourcing and Amazon's drone delivery service. Even more content on digital marketing integrated throughout, including key issues such as social media, mobile marketing, co-creation, cutting edge theory. A fully updated and streamlined interactive eBook led by student feedback. Focus boxes throughout the text such as Global, Consumer, B2B and Ethical - all with a greater emphasis on digital communication - reinforce key marketing trends and relate theory to practice. Each chapter also ends with a case study revolving around topics, issues and companies that students can relate to such as Taylor Swift taking on Spotify. The new edition comes packed with features that can be used in class or uploaded onto a course management system and which students can use in their own self-directed study. Furthermore, the book is complemented by a FREE interactive eBook with access to web links, video links, SAGE journal articles, MCO's, podcasts and flashcards, allowing access on the go and encouraging learning and retention whatever the learning style. Suitable as core reading for undergraduate marketing students. *Interactivity only available through VitalSource eBook included as part of paperback product (ISBN 9781526426321). Access not guaranteed on second-hand copies (as access code may have previously been redeemed).

A Down-to-Earth Approach James Henslin shares the excitement of sociology in *Essentials of Sociology: A Down-to-Earth Approach*, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. Revel from Pearson is a new learning experience designed for the way today's students read, think, and learn. Revel redesigns familiar and respected course content and enriches it for today's students with new dynamic, rich-media interactives and assessments. The result is improved student engagement and improved learning. Revel for Henslin will be available for Fall 2014 classes. This program will provide a better teaching and learning experience--for you and your students. It: **Personalizes Learning with MySocLab:** MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. **Explores a A Down-to-Earth Approach:** This title highlights the sociology of everyday life and its relevance to students' lives. **Improves Critical Thinking:** Features throughout help build critical thinking skills. **Understands Social Change:** An important theme of the text, social change over time, examines what society was previously like, how it has changed, and what the implications are for the present and future. **ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN.
