The second best result is Dominic John Ciccarelli age 60s in Jackson, NJ in the Jacksons Mills neighborhood. They have also lived in Staten Island, NY and Brooklyn, NY. Dominic is related to Beverly F Ciccarelli and Dominick J Ciccarelli as well as 2 additional people.

This new AP* Edition will prove to be the most useful tool possible to introduce students to the study of psychology and to prepare them for success on the AP Psychology Exam. Special attention has been paid to the presentation, adjusting to be more relevant, appropriate, and clear and understandable for high school students. The engaging writing style draws the students into an ongoing dialogue about psychology while maintaining a focus on scientific rigor and academic integrity. Comprehensive coverage of key research, and strong pedagogical features help capture the interest of today's students. Content in the text and ancillary package follows the American Psychological Association recommended learning goals and assessment guidelines with each chapter are organized around the detailed learning objectives and correlated to the College Board's advanced placement learning objectives. - Publisher.

through Pearson's MyLab products, CourseSmart, Amazon, and more.

The most learner-centered and assessment-driven text available.

Praised for a very engaging writing style, comprehensive coverage of key research, and strong pedagogical features, Ciccarelli and White focus on getting students to read their textbook. Using the most recent recommended APA undergraduate psychology learning outcomes, the authors establish clear learning objectives for students that are tied to these objectives. Student and instructors praise Ciccarelli and White's approach to teaching and learning in today's classroom. The thirteen-chapter table of contents covers the essentials that every introductory psychology student should know and fits easily into a one-semester course. A better teaching and learning experience This program will provide a better teaching and learning experience-- for you and your students. Here's how: Personalize Learning - The new MyPsychLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -- Features such as Student Voice and Link icons help students understand the material easily. The Student Voice Questions create a dialogue between the reader and the text while the Link icons connect all the related fields of psychology to one another. Engage Students -- The highly visual features such as chapter opening prologues, concept maps, and special feature essays are designed to capture student interest immediately. Explore Research -- With updated references, readers will continue to read about the most current research. Special feature essays found within the narrative cover interesting topics related to the chapter material. Support Instructors -- This program provides instructors with unbeatable resources, including state-of-the art Interactive PowerPoints embedded with videos, the NEW MyPsychLab Video Series, an easy to use Instructor's Manual, a class tested Test Bank with item analysis data, an online test generator
