A STAND ALONE story in the bestselling SIX PACK RANCH series by New York Times Bestselling Author Vivian Arend? ----- Nothing comes easy. You've gotta work for it. Matt Coleman always figured at this point in his life, he'd be settled down with a family. Since his ex split for the big city, though, no way will he give anyone else the chance to drop-kick his heart. Physical pleasure? Hell, yeah, he'll take-and give-with gusto, but nothing more. Hope Meridan is working long hours to hold on to her new quilt shop, going it alone since her sister/business partner ran off. Sex? Right, like she's got the time. Not that she doesn't have the occasional dirty fantasy about Matt. Fat chance he'd dream of knocking boots with her-the younger sister of the woman who dumped him. Nope, she'll just have to settle for friendship. Friends would be far easier if there wasn't something combustible going on between them. And when casual interest starts to grow into something more, their tenuous bond strengthens in the heat of desire. But it may not survive the hurricane-force arrival of the last person either of them ever wanted to see again... Warning: Small-town rivals, men in pursuit and family meddling-in good and bad ways. Look for a cowboy who knows how to rope, ride and rein in a hell of a lot more than eight seconds of sheer bliss. Previously published in 2012
Keywords: Canadian Author, cowboy, western, contemporary, small town
For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.

Over the past year, Travis Coleman lost the two people he allowed closest to his heart. Both gave him ultimatums-then left. Hell if he needs that kind of pain again. Time to move forward without the friends he thought might save him from his dangerous cravings. When Ashley Sims returns to Rocky Mountain House, her rambling lifestyle isn't all she's hoping to change. Travis snagged a piece of her, and while

getting tangled in his issues again might be crazy, she hasn't given up on him. Nine months ago, Cassidy Jones walked away to stop his best friend from making a huge mistake. Temptation lingers, though, and when Travis shows up on his turf accompanied by a sensually uninhibited woman, the combination tosses fuel on the banked fire. Passion flares among the three of them, as hot as the summer days. But are they willing to push the limits, and fight for love? Warning: Dirty fighting, dirty talk, dirtier sex-secrets are coming out. Get ready for ménage a trois and cowboy-on-cowboy action, with ropes and crops and the kind of relentless love strong enough to set a man free. While this book contains a stand-alone romance, it's best read as a part of the series. ----- It's never too late for love. Years ago, Mark Coleman made the only possible choice and left Rocky Mountain House before he tore his family apart. When he hears the four clans-Six Pack, Whiskey Creek, Moonshine and Angel-are working together to create a memory book, Mark also discovers the one detail that finally triggers his return. Because he's not just coming back to the family. Now that Dana is free and ready to move on, Mark plans to give the only woman he's ever loved all the devotion and happiness she deserves, no matter how much sweet-talking-or dirty talk- it takes. Innocence and passion are an addictive mix... The dark-haired stranger next door triggers every protective instinct Trevor Coleman never knew he had. From the moment Becky Hall literally falls into his arms, the last man standing of the Moonshine clan doesn't even attempt to resist sweet temptation. Becky is beautiful, mysterious and heartbreakingly vulnerable...and he's a goner. To escape the hell she was trapped in, Becky left everything behind but her courage. And for once in her life, good people step up to make a difference. A helping hand, a new

job...a very attentive and libido-stroking neighbour. Now a new future awaits, one that shockingly includes sexual pleasure instead of icy pain, and a sexy cowboy who's more than eager to show her the ropes. Becky's sweet smiles and seductive innocence draw him in like nectar, and Trevor knows one taste will never be enough. But with secrets thicker than a bumper crop, changing a life will take more than a new ID and a cowboy's good intentions. It's gonna take sacrifice to break these chains. Warning: boy meets girl, boy falls in love with girl—all hell breaks loose. We've got a hero whose hands are tied in more ways than one. A heroine who wants to experience everything she's ever missed, and a family that needs to discover if its roots go deep enough to weather any storm. Keywords: Canadian Author, cowboy, western, contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.

The responsible thing to do is keep his hands off. Jaxi has other plans for Blake's hands, and his heart. She may have once considered him a big brother, but that was a long time ago. She's all grown up now and ready to convince him that she's perfect for him. Except he can't seem to see past the big "don't touch" sign that's apparently still hanging around her neck. A STAND ALONE story in the bestselling SIX PACK RANCH series by New York Times Bestselling Author Vivian Arend ----- Second chances are the sweetest—and the hottest. It took a spectacularly embarrassing break-up to knock Steve Moonshine Coleman off his lazy butt. In the ten months since that night, he's changed his ways. Now that Melody's back in town, it's time for this sweet-talking cowboy to convince her to get back in the saddle with him. A return to her veterinary position in Rocky Mountain House was always in the cards for Melody Langley. Getting back together with Steve? Never part of the plan. But the new-and-improved cowboy is impossible to resist, so Melody issues a challenge. Three months to prove he's reformed. Three months of Steve orchestrating one sexual indulgence after another—wicked distractions from the old boys' club Melody faces at work and Steve's growing responsibilities. Get ready for a whole lot of make-your-knees-weak wooing from a man intent on proving he's got what it takes, and the woman ready to push him way past his limits. Keywords: Canadian Author, cowboy, western, contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.

From New York Times bestselling author Vivian Arend. --- He's hotter than hot Bad boy Mitch Thompson finally convinced straight-laced Constable Anna Coleman to take him for a ride. Their secret escapades are steamy and mind-blowing, but he wants more than her body—he wants her heart. She's afraid of getting burned Anna doesn't know how far she can safely go before she crosses the line. Sinfully sexy Mitch may have lured her wild side out to play, but giving in to more and more illicit desires could endanger her very civilized career on the police force. The American West of the nineteenth century was a world of freedom and adventure for men of every stripe—not least also those who admired and desired other men. Among these sojourners was William Drummond Stewart, a flamboyant Scottish nobleman who found in American culture of the 1830s and 1840s a cultural milieu of openness in which men could pursue same-sex relationships. This book traces Stewart's travels from his arrival in America in 1832 to his return to Murthly Castle in Perthshire, Scotland, with his French Canadian-Cree Indian companion, Antoine Clement, one of the most skilled hunters in the Rockies. Benemann chronicles Stewart's friendships with such notables as Kit Carson, William Sublette, Marcus Whitman, and Jim Bridger. He describes the wild Renaissance-costume party held by Stewart and Clement upon their return to America—a journey that ended in scandal. Through Stewart's letters and novels, Benemann shows that Stewart was one of many men drawn to the sexual freedom offered by the West. His book provides a tantalizing new perspective on the Rocky Mountain fur trade and the role of homosexuality in shaping the American West.
