Selected Stories of P. G. Wodehouse: All of which, being interpreted, meant that the first match of the Easter term had just come to an end, and that those of the team who, being day boys, changed over at the pavilion, instead of performing the operation at leisure and in comfort, as did the members of houses, were discussing the vital question—who was to have first bath?

"This book covers Wodehouse's Hollywood career from his early efforts in silent film, to his contributions in television, to posthumous adaptations for the screen"--Provided by publisher.

An English comic novelist and short story writer, P. G. Wodehouse is best known as the creator of the young bachelor Bertie Wooster and his effortlessly superior manservant, Jeeves. Wodehouse penned over 90 books and secured a devoted readership across the world. His first success came as a writer of public school stories, based on his own childhood experiences, most notably introducing the strikingly original character, Psmith. These were followed by light romances, but in 1913, with the publication of the first Blandings Castle novel, 'Something New', he turned to farce, which became his preferred genre of work. Wodehouse is celebrated for his scholarly command of the English sentence, blended with vivid, far-fetched imagery and the uproarious slang of the late Edwardian era. His novels feature highly complicated plots and hilarious situations, revealing the hand of a master humorist. This comprehensive eBook offers the most complete edition possible of P. G. A Jeeves and Wooster novel At Deverill Hall, an idyllic Tudor manor in the picture-perfect village of King's Deverill, impostors are in the air. The prime example is man-about-town Bertie Wooster, doing a good turn to Gussie Fink-Nottle by impersonating him while he enjoys fourteen days away from society after being caught taking an unscheduled dip in the fountains of Trafalgar Square. Bertie is of course one of nature's gentlemen, but the stakes are high: if all is revealed, there's a danger that Gussie's simpering fiancée Madeline may turn her wide eyes on Bertie instead. It's a brilliant plan - until Gussie himself turns up, imitating Bertram Wooster. After that, only the massive brain of Jeeves (himself in disguise) can set things right.

The sun always comes out tomorrow for the shelter animals Bill Berloni rescues—sometimes from death's door—and then trains to meet the demands of the stage. Berloni was a nineteen-year-old theater apprentice more than three decades ago when he was offered his first big break: find and train a dog to appear in the original production of the Broadway hit Annie. Defying the odds, he rescued a down-on-his-luck dog from a local shelter and, together, they redefined what animal performers could do. Since then Berloni and his trainers have provided animals for hundreds of films, commercials, and television shows as well as live theater, including productions of The Wizard of Oz and Winn-Dixie, all over North America. In this heartwarming book, he tells the true stories of “throw-away” animals who came back to work with some of entertainment's biggest names, names like Bernadette Peters, Sarah Jessica Parker, Mike Nichols, the New York City Ballet, and many more. This updated edition includes an account of Berloni's search for the newest Sandy to star with everyone's favorite red-headed orphan.
