Care in the Community (CITC)

Background The Department of Veterans Affairs (VA) is committed to providing Veterans access to timely, high-quality health care. Sharing of Health Care Resources, 38 U.S.C. § 8153, provides VA with the authority to purchase health care resources in the community.

CITC RFI - Veterans Affairs

About Us. The Veterans Health Administration Office of Community Care (VHA OCC) operates two main service lines, Delivery Operations and Revenue Operations, that support medical care delivery and services for Veterans and their families. VHA OCC is also responsible for functions that support these service lines such as administration, planning, oversight and stakeholder relations.

About Us - Community Care - Veterans Affairs

Community Care Veterans may be eligible for care through a provider in their local community depending on their health care needs or circumstances, and if they meet specific eligibility criteria. Even if a Veteran is eligible for community care, they generally still have the option to receive care from a VA medical facility.

Community Care - Community Care - Veterans Affairs

Work with a committed team dedicated to strengthening our community and state. Each year, CITC helps more than 11,500 Alaska Native/American Indian people achieve their endless potential through more than 50 impactful programs and services.

For the past year, improving access to care has been among VA's top priorities, and we have made real progress. We continue to strive to meet the 30-day access goal for timely medical care - inside the VA and care in the community. Based on increased demand for health care, we are currently forecasting a shortfall of \$2.5 billion for FY 2015.
